

Animal safari – Spring 2

Cavers, Divers, Sailors and Beachcombers

In the Animal Safari project, your child will learn about incredible animals that live worldwide. They will explore various animal habitats and compare the animals that live there with animals in their locality. They will learn how to care for pets and what all animals need to grow, survive and stay happy and healthy. They will explore animal features and find out how they survive in the wild. They will compare the ways that animals are similar and different.

Supporting your child at home

- Go on a local safari to find out about the animals that live in your garden or local park.
- Look outside your window – Can you see any birds? Can you see any animals?
- Do you have a pet at home? Help to look after your pet.
- Look at animals from around the world, discuss your favourite animals and find out some fantastic facts.
